Proforma for Research Proposal
Faculty Research

NEW	ON-GOING
-----	----------

Name of the Faculty/Department _____

Title of Proposed Project _____

Field of Study Sciences Engineering Humanities

Nature of the Project Basic Research Applied

Co-Principal Investigator (If any) _____

Proposed duration (in months) _____

Completion Date (Expected) _____

Funds already utilized for this project during the year(s) _____

Total funds requested _____

Endorsement

	Principal Investigator/ Supervisor of PhD Research	Department Chairperson	Faculty Dean
Signature			
Name			
Designation			
Dated			

DECLARATION

I _____ hereby agree to undertake/guide this research. I also undertake to submit a progress report and statement of expenditure incurred on the project through the Chairman to the Dean. The IP, as an outcome of this research, will be owned by UET.

Signature of Pricipal Investigator

1. Title

Use as much space as required

2. Abstract

Use as much space as required

3. Description

- I. Explain: (a) significance of the proposed research duly supported with bibliography/review of literature to indicate the current trends in the field, (b) relationship of the proposed research with the concurrent research efforts locally/internationally, (c) challenges vis-à-vis the topic, (d) motivation for the project and (e) expected original contribution to be made in case of PhD research.

Use as much space as required

- II. Specify: (a) outcomes, (b) benefits/beneficiaries, (c) technology transfer process and (d) commercial potential.

Use as much space as required

- III. Describe in detail the methodology/techniques to be used including critical or difficult phases or factors and their risk analysis.

Use as much space as required

**OFFICE OF RESEARCH, INNOVATION AND COMMERCIALIZATION (ORIC)
University of Engineering and Technology, Lahore**

IV. Give details of various phases of work with key milestones and deliverables.

Use as much space as required

4. Human Resource

Use as much space as required

5. Institutional Facilities

Use as much space as required

6. Previous research fund allocation to the Principal Investigator along with name of the previous project and the results achieved.

Use as much space as required

7. Budget

Sr. No.	Description	Years			Total
		First	Second	Third	

Note: (Normally research projects shall be carried out by the teachers/student using Departmental facilities only. In special case Vice-Chancellor may consider allowing of hiring additional staff).

A.	Travel (Official and Scientific Missions), (Normally out of Departmental budget allocations)				
B.	Supplies				
C.	Publications/Literature Cost				
D.	Service Charges/Typing, etc.				
E.	Others (Postage, Phones, etc.)				
F.	Total Direct Cost (B to E)				

CAPITAL EXPENSES

G.	Supply and Fabrication of Experimenting Equipment				
H.	Research Facilities				
I.	Others				
J.	Contingencies				
K.	Total Direct Cost (G to J)				

GRAND TOTAL (F+K)
